

RULES FOR THE CONDUCT OF DANCES WITH DOGS COMPETITION

(Encompassing Dances with Dogs Freestyle & Heelwork to Music) effective 1st January 2012.

1. 1.0 INTRODUCTION

1.1 Dances with Dogs (DWD) competitions provide handlers and dogs with an opportunity to demonstrate a skillful, choreographed routine, performed to music. Encompass 2 divisions:

- Dances with Dogs Freestyle (**DWDF**)
- Heelwork to Music (**HTM**)

1.2 DWD has its foundation in traditional obedience heelwork. However, the inclusion of innovative and creative moves and movement in time and interpretation of music are encouraged in this sport. The discipline requires a good rapport between dog and handler, reflected in a high level of teamwork.

1.3 DWD performance should have spectators appeal and competitions should be conducted in such a way to allow and encourage the audience to respond, where appropriate, throughout the performance.

1.4 Any person entering the DWD competition does so at their own risk and M.K.A. shall not be held responsible for any injury or damage to any person, dog or property.

1.5 The M.K.A. Committee shall review the rules from time to time.
