MKA AGILITY JUDGES TRAINING PROGRAM

The objective of this proposal (Agility Judging Scheme) which has been designed for the MKA by Ms. Barbara Murfet (Australia) is to create a pool of Agility Judges for the Agility sport in Malaysia. When the MKA have their pool of Agility Judges, the Agility events can be organised more frequently by the MKA without the hassle of always relying on overseas agility judges. With this scheme, the participants who have undergone the relevant theory & practical training will be granted a MKA Agility license to judge in the agility arena.

Eligibility for MKA Agility Judging Scheme

At this juncture, we would like to propose that the intended participants should meet with the following criteria to be eligible for the Agility Judges Training Program :

- Be at least 18 years of age.
- Have been a member of the MKA for a minimum of five (5) years.
- Have competed in an MKA Agility Trial at least up to Novice Agility Level & Jumper Novice Level.
- Have scribed in an Agility Trial.

The reasoning for these criteria is so that the participant have the knowledge of an agility sport, how agility sport is organized and also a keen interest to promote the sport.

Those interested to participate in this Judges Training Program should inform Ms. Julia Margaret (MKA Admin Secretary) **before 21st July 2014** of their intention.

Thank you.

Yours faithfully,

**For and on behalf of the Central Committee
The Malaysian Kennel Association**
