### Change in Microchip Prices

Dear Members,

Please take note that effective 1st April 2021, the prices of the Microchips will be RM25.00 per chip.

Despite using a more advanced and expensive microchip, the MKA has not changed prices of our Microchips for several years now, but with rising costs and a weaker Ringgit, we are left with no choice but to amend our prices.

We thank you for your kind understanding.
